- Ben Labs

Producing original creative works to inspire people to pursue truth with intellectual honesty with the inevitable outcome of belief in the Bible: poetry, philosophy, photography, drawings, music, and design. Delivered via the Internet, PDF, Paperback, and Hardcover. For all people who are seeking God and their animal companions. Who don't want to join a traditional church.

Topical Book Collections

- *Complete Introductions Collection*: contains all the introductory material, from all the other books.
- *Complete Psychological Topics*: contains most of my writings on the topic of psychology, including: my experiences in the military, my mental illness, and other psychological topics. This book contains *Disabled Veteran* and the *Book of Psychology*.
- *Complete Ideological Discoveries*: contains most of my writings on the topics of philosophy and religion, including: my intellectual discoveries, my worldview and message, how to learn values, and general information on philosophy and theology that are commonly misunderstood. This book contains *Theoretical Breakthroughs* and the *Book of Belief*.
- *Complete Red Letter Collection*: contains most of the bible quotes in my books. This book contains the *Red Letter Book* and the *Red Letter Book 2*.
